This Agreement relates to copyrights to Artistic Works now owned or controlled by the Affiliate during the term of and beginning on the effective date of this Agreement. The Affiliate assigns to CARCC, for the purpose of licensing and authorizing use, all copyrights of Exhibition, Reproduction, Telecommunication, and Reprography to Artistic Works during the term of this Agreement.

CARCC has the right to license to the Affiliate's advantage the copyright to his or her Works. CARCC will account for and remit, as instructed by the Affiliate, all monies received for the licensing of the Affiliate's copyrights. In all licensing transactions of CARCC, the CARCC administrative fee will be charged to the User wherever possible. If the Affiliate is not a member of CARFAC, CARCC may deduct an additional administrative charge of 10% from monies collected for the Affiliate.

This Agreement is subject to the policies and regulations of CARCC as they exist and are changed over time.

The Affiliate warrants that the Work is original to the Affiliate, contains nothing that is in breach of copyright or that is otherwise unlawful, and the Affiliate agrees to indemnify and hold CARCC harmless against damages, losses, expenses (including legal expenses) incurred as the result of a breach of the foregoing Warranty. The Affiliate agrees to cooperate fully with CARCC in all matters that are reasonably necessary to fulfil the terms of the Agreement.

This agreement is valid for two years from the effective date and is automatically renewed in two-year terms unless one party gives written notice to the other 90 days prior to the end of any term. In the event of winding up, bankruptcy, or dissolution of CARCC, the rights granted in this Agreement shall revert to the Affiliate and the term of this Agreement shall end provided, however, that any agreements made or licenses issued prior to such an event remain in effect.

This Agreement is for the benefit of and is binding on the heirs, executors, personal representatives, assigns, or other successors of the Affiliate and the Collective.
